Re: Notice of Price Change, effective June 15, 2010

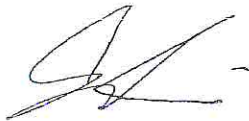

Since your last price notification effective September 1, 2007, we have experienced significant cost fluctuations with materials, energy, and logistical changes. We have diligently absorbed these costs internally by continuously improving our labor and overhead efficiencies while managing material costs and yields. We now find it necessary to revise your price.

Effective June 15, 2010, Allied Blending & Ingredients, Inc. will be implementing the following price change.

**CLEARTEX 50#      /Bag FOB Keokuk, IA**

We sincerely thank you for your continued business and look forward to continuing a long and prosperous relationship. Your continued support of our products is greatly appreciated. If you have any questions or concerns regarding this pricing, please contact your Sales Representative, Dan Johnson @ (612) 342-1515 or myself at the phone number listed below.

Best regards,
