

Material Safety Data Sheet

MSDS# SA 0316

Section 1. Chemical Product and Company Identification

Product name Ah! Fabric Finisher
Material Uses Fabric starch and sizing hybrid
Supplier/ Ross Supply
Manufacturer 95251 W. 73rd Ave., Ste. F Edina MN 55439437 Garfield Ave.
Edina, MN 55439

In Case of Emergency / Medical Emergency Hotline: 1- 800 246-2890

Section 2. Hazards Identification

Physical State Liquid. **Color** Clear. **Odor** Odorless

Routes of Entry: Eye contact. Ingestion.

This product contains no ingredients currently regulated as hazardous by OSHA (29 CFR 1910)

Section 3. Composition/ Information on Ingredients

Name CAS # % by Weight
Proprietary component 1 proprietary 10-30 Proprietary Solvent(s) proprietary 70-90 Proprietary component 2
proprietary 1-5

Section 4. First Aid Measures

Eye Contact: Flush with Cool running water. May cause temporary minor irritation.
Skin Contact: Flush with cool running water. Not absorbed when contact to skin.
Inhalation: By mist could result in possible irritation. Remove to fresh air.
Ingestion: Rinse mouth with large amounts of waters. Drink water, milk or other fluids to dilute. Do not induce vomiting. Call for medical advise or assistance if difficulties and discomfort develop.
Medical Conditions: Repeated or prolonged exposure is not known to aggravate medical condition.
Aggravated by Overexposure: None known or expected.

Section 5. Fire Fighting Measures

Flammability: Maybe combustible at high temperature.
Products of Combustion These products are carbon oxides (CO, CO₂), nitrogen oxides (NO, NO₂...).
Some metallic oxides.
Fire Fighting Media SMALL FIRE: Use DRY chemical powder. **and Instructions** LARGE FIRE: Use water spray, fog or foam. Do not use water jet. **Protective Clothing (Fire)**

Section 6. Accidental Release Measures

Small Spills: Flush to drain with excess water.
Disposal: Normally sewer disposable in dilute solutions.

Section 7. Handling and Storage

Handling Do not ingest and avoid breathing mist. Wash thoroughly after handling.
Storage Keep container tightly closed. Keep container in a cool, well-ventilated area.
Other Special Protect from freezing.

Section 8. Exposure Controls/ Personal Protection

Ventilation: General or local ventilation.

Respirator: None normally required.

Eye Protection: None required.

Protective Clothing: None required.

Section 9. Physical and Chemical Properties

Physical State Color Odor pH Boiling/Condensation

Point Melting/Freezing Point

Density Vapor Pressure

Vapor Density

Evaporation Rate Solubility

Dispersion Properties Physical Chemical Comments

Liquid. Clear-colorless. Odorless. Slight 10 (Conc. (% w/w): 100) [Basic.] 100°C (212°F)
0°C (32°F) The only known value is 1 g/cm³ (Proprietary Solvent(s)). The highest known value is 2.3 kPa
(17.5 mmHg) (at 20°C) (Proprietary Solvent(s)). >1 (Air = 1) 1 Easily soluble in hot water, methanol,
acetone.

The product is soluble in water.

Products of Degradation These products are carbon oxides (CO, CO₂) and water, nitrogen oxides (NO, NO₂...). Some metallic oxides.

Section 10. Stability and Reactivity

Stable: Yes Hazardous Polymerization will not occur.

Conditions to Avoid: None

Incompatible Materials: None

Section 11. Transport Information

Domestic (Land, D.O.T.)

Proper Shipping name: Pressing agent, Class 60
Hazard Class: Not regulated

Validation Date 5/1/2012. **Validated by** Product Safety Specialist **Previous Validation Date** 4/1/2009.

Print Date 5/1/2012.

Phone Number 952 912-1059

Notice to Reader

The information in the material safety data sheet should be provided to all who will use, handle, store, transport or otherwise be exposed to this product. All information concerning this product and/or suggestions for handling and use contained herein are offered in good faith and are believed to be reliable as of the date of publication. However, no warranty is made as to the accuracy of and/or sufficiency of such information and/or suggestions or as to the product's merchantability or fitness for any particular purpose, or that any suggested use will not infringe any patent. Nothing contained herein shall be construed as granting or extending any license under any patent. Buyer must determine for himself, by preliminary tests or otherwise, the suitability of this product for his purposes, including mixing with other products. The information contained herein supersedes all previously issued bulletins on the subject matter covered. If the date on this document is more than three years old, call to make certain that this sheet is current.
