Dear Valued Customer:

As you have experienced increases in your everyday cost of living, our industry has been experiencing these same significant increases in raw materials, energy and transportation as well. Unfortunately despite our efforts to maintain existing levels, we are forced to increase our pricing.

Effective with all orders placed on or after June 6, 2011, CTS Packaging prices will be increased 6% on all items. If you would like to receive an updated price list effective June 6, 2011, please contact Sharon Huff in our customer service department for the new pricing.

We will continue to monitor and take every action possible to supply you with our quality products and services at the competitive level you have come to expect from CTS Packaging, Inc. Please feel free to contact me with any questions you may have.

Your support and patience is greatly appreciated during these tough economic times. We value your business and look forward to speaking with you soon.

Best regards,

CTS PACKAGING, INC.
