N.S. Farrington & Company
2355 Farrington Point Dr.
Winston-Salem, NC 27107

Dear Ken,

Our industry continues to experience significant increases in raw materials, energy and transportation.

This has prompted CTS to look at all laundry and dry cleaning products and freight programs. We have looked individually at each product in an effort to keep both of us competitive.

The raw materials for garment covers have increased over 25% in a 12-month period. Due to this inflationary pressure we must adjust the pricing on this item effective on all orders on or after August 18th, 2008.

Please review the enclosed adjusted pricing and call with any questions you may have.

As always, we appreciate your support of CTS and look forward to continuing our valued relationship.

Best regards,

CTS PACKAGING, INC.
