Dear Thread Buyer:

We have just been informed of a price increase from Coats North American.

Although we absorbed the last two spool price increases of approximately 5%, we will increase all thread prices by approximately 4.75% effective August 4, 2008.

Coats reason for increasing prices at this time is due to the "scale and frequency of increases on all raw materials and services."

All orders received before the close of business on August 1, 2008 will be billed at current prices. Please see the attached new price list.

We appreciate your business.

Sincerely,  
Eliscu & Company, Inc.

Susan J. Eliscu
