Re: Price Revision Effective January 17th, 2011

To: All United Brass Works Inc. Customers

Due to increases in raw material costs, United Brass Works Inc. will be issuing new List price sheets with an effective date of January 17, 2011. New List price sheets will be available for download from our website at WWW.UBW.COM within the next couple of weeks. Printed copies will be available shortly thereafter. If you would prefer printed copies, please let us know and we will gladly mail them to you.

This increase in price will range between 5% and 7% except for items where adjustments to margins are required.

All new orders that are placed and scheduled to ship on or before Friday January 14th will be honored at current prices. Any orders that have already been accepted which have ship dates scheduled after the 14th of January will also be billed at current prices. In addition, any item that may be on backorder as of January 17th will be billed at current prices.

Should you have any questions, please feel free to contact me at 800/334-3035 ext. 236.

Thank You,

Jim Sattler  
Sales Manager
