Dear Ken:

Over the past several months, we have been experiencing increases on all grades of raw materials as well as linerboard products. Due to these pressures, we now find it necessary to adjust our current pricing on all of our packaging products.

The new pricing will take effective on orders shipped after August 23, 2010. In the near future you will receive confirmation of our new pricing. Please feel free to contact me if you would like to discuss further.

Thank you for understanding and support. We certainly appreciate your valued business and look forward to continuing our relationship with you.

Best regards,

*Mark O'Bryan*
