

February 23, 2011

Dear Thread Buyer:

Due to record high surges in the price of cotton and increases in petrochemical raw materials costs the mills are raising their prices.

Effective march 21st all prices will be raised 9.5%. All orders received by us on or before March 18th will be billed at current prices.

Please let us know if you have any questions.

Thank you for your business.

Sincerely,
Eliscu & Company, Inc.

Susan J. Eliscu
