IMPORTANT PRICNG INFORMATION:

Dear Valued Customer,

Due to escalating costs of raw materials, Lucas Products will implement a price increase effective **September 1, 2010** for all laundry products. You will find enclosed a new price sheet for your reference, please discard the old one... **New prices will be in effect for all products shipped on September 1, 2010 and thereafter, regardless of purchase order date or pricing.** Lucas Products has not passed along a price increase since October 2006; we do this not by choice but by necessity, this will enable us to continue to provide the highest quality product available to our valued customers.

On behalf of Lucas Products Corporation, I would like to thank you for your continued business with us. If you have any questions please do not hesitate to call your sales representative.

Sincerely,

Doug Abodeely
President
