Re: New Price List	CC:

I would like to take this opportunity to thank you for the support that you have given us over the last ten years. As many of you have seen, we have committed ourselves to producing quality and unique chemicals. Our commitment to only market unique, problem-solving chemicals, such as SMARTCare™, Nature-L™, Clean Coat™, TANaway™, Rust Buster™, ENLIGHEN™, SuedeSmart™, TOTALCare™, and N-Ta Germ™ has proven to be a successful method.

Since we last raised prices over a year ago, we have continuously absorbed cost increases and other surcharges from our suppliers. However, we are no longer able to absorb these additional costs. Therefore, we will increase prices on Kleerwite products effective Monday, April 21, 2008. All orders placed before this date will be shipped and invoiced at the current prices.

Once again thank you for continuing to sell Kleerwite.

Sincerely,

Mike Levine
President
