Dear Ken:

Re: DF-2000 Fluid Price Adjustment Effective April 15, 2008

ExxonMobil Chemical have announced an increase in the price of DF-2000 Fluid. This increase is necessary to offset recent cost increases for key raw materials, packaging and transportation.

A revised Confidential Distributor Price Schedule is attached.

All other terms and conditions remain unchanged. Should you have questions, or require further information, we would be pleased to hear from you. Thank you for your business.

Sincerely,

R.R. Street & Co. Inc.
