Re: New Price List

Dear customers,

Effective August 29, 2011, we have updated our price list for all products. Attached excel file is your current delivered pricing for wire product shipping out of China. Please note that increase in pricing are due to increasing in labor costs, raw material costs, and exchange rates. Orders received starting August 29 will be filled at current prices. Please feel free to contact us if you have any questions or concerns.
